

Messy Church Does Science

Take-home ideas

You can find all web links at www.messychurch.org.uk/scienceathome.

1. Water

At the sink or in the bath, spend some time playing with water together and talking about what you see, feel, smell, hear, taste. Thank God that we have clean water in our homes. Say a prayer for people who have to carry water a long way or who have no clean water.

Experiments to do at home

- Walking water: www.youtube.com/watch?v=k8YtroKjVxo.
- Surface tension: www.youtube.com/watch?v=ho0o7H6dXSU.
- Sugar rainbow: www.youtube.com/watch?v=yh9HOU20QEk.

Make a difference in the world
