

Messy Church Does Science

Take-home ideas

You can find all web links at www.messychurch.org.uk/scienceathome.

4. Light and colour

Play with a mirror, making light dance on a wall. Talk about what it might have been like when God said, 'Let there be light.' Thank him for the miracle of our eyes.

Experiments to do at home

- Square bubbles: www.rookieparenting.com/make-a-square-bubble.
- Light travels in a straight line: www.youtube.com/watch?v=4xq6TTsyyOI.

Make a difference in the world

Remind each other to turn off the lights when you don't need them. Maybe you could make a reminder sign to go above a light switch?
